

Our Fees

At Vibrant Minds Learning Collective (VMLC), we believe in offering an exceptional educational experience that goes beyond traditional classrooms, ensuring flexibility for both parents and students.

Here's a breakdown of our fee structure:

Full-Time Enrollment:

\$400/month or \$100/week

Only full-time enrollment available

This fee gives parents the flexibility to continue working while their child receives a high-quality, personalized education. With smaller class sizes and individualized support, students get the attention they need to thrive in a nurturing environment.

Sliding Scale Enrollment:

Available for 2 students, with fees adjusted based on family income. A sliding scale fee structure is available upon approval.

This option makes our program accessible to families from a variety of financial backgrounds, ensuring that every student has the opportunity to succeed.

Sponsorship Students:

Up to 2 students can receive full scholarships, funded by grants or other financial support, if available.

Our scholarship program helps ensure that cost is never a barrier to quality education.

If funding allows, we offer scholarships to students who demonstrate need, giving them access to the full range of resources at VMLC.

Why It's Worth the Investment:

At VMLC, your investment goes beyond just fees; it's an investment in your child's future. Our approach to education is designed to provide learners with the flexibility to work at their own pace, engage in hands-on experiences, and develop a lifelong love of learning—all while being supported by a team of caring Learning Coaches.

By choosing VMLC, you're providing your child with more than just a traditional education. *You're giving them the opportunity to explore their passions, develop valuable life skills, and learn in a space that nurtures their individual needs.*

Plus, the flexibility of our program allows you, as a parent, to balance work and family life while knowing your child is receiving the best quality education outside of the traditional classroom setting.

We're here to make sure your child thrives, no matter their background or challenges. The return on your investment in VMLC is the growth and success of your child in an environment tailored to their needs.
